Fisheries Technician
Temporary Hourly
Fort McCoy, WI

POSITION
Several seasonal Fisheries Technician (Temporary Hourly) positions are available with the Center for Environmental Management of Military Lands (CEMML). These positions are located at Fort McCoy, WI and have varying start dates.

ORGANIZATION
CEMML is a research, education and service unit within the Warner College of Natural Resources at Colorado State University (CSU). CEMML applies the latest and most appropriate science to promote the sustainable management of natural and cultural resources on Department of Defense (DoD) and other public lands. We provide technical support, conduct applied research, and offer career development and learning opportunities to support resource stewardship. We collaborate with our sponsors and within CSU to resolve complex environmental issues, leaving a legacy of science-based decisions that sustain our resources for future generations.

To learn more about CEMML’s contributions to land management, our mission, vision, and values, visit http://www.cemml.colostate.edu/.

LOCATION
Employees will report to a field office located in Tomah, WI with tasks being conducted at Fort McCoy in west central Wisconsin.

RESPONSIBILITIES
Applicants will be part of a field crew that will assist in performing the following tasks:
- Conducting biological assessments on trout streams to include electrofishing and stream habitat surveys.
- Using fyke nets to assess fish abundance and condition.
- Monitoring water quality on lakes and streams through the collection of water samples and remote sampling devices.
- Aquatic plant species surveys.
- Habitat restoration projects to benefit cold-water species.
- Interacting with the public through creel surveys and public outreach events.
- Data summarization and entry using Microsoft Word and Excel.

PHYSICAL REQUIREMENTS
The successful candidate must be able to work outside in inclement weather, walk over uneven terrain and wade through water. Lifting and carrying equipment will also be required.

MINIMUM QUALIFICATIONS
The successful candidate must demonstrate U.S. employment eligibility; CEMML will not provide visa sponsorship for this position. Successful candidates must have or be able to obtain a valid driving license and the ability to operate four wheel drive vehicles, boats and trailers.

HOUSING AND DURATION
Housing will not be provided; rentals are available in the nearby towns of Tomah and Sparta. There is one five month position available beginning on March 28th through August 31st, 2016, and several three month positions beginning on May 23rd and ending on August 31st, 2016. All applicants should expect to work up to 40 hrs./week, with occasional evening and weekend hours required.

**BACKGROUND CHECK**
Colorado State University is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final candidates being considered for employment. Background checks may include, but are not limited to, criminal history, national sex offender search and motor vehicle history.

**PAY RATE**
Pay rate is commensurate with experience and qualifications starting at $12.25 per hour.

**APPLICATION**
Submit a letter of application including you desired start date, resume, copy of college transcripts (official copy not necessary), and references via email (preferred) to:

steven.rood@colostate.edu

Or by mail to:

CEMML
Wisconsin Field Office
Attn: Steven Rood
22988 State Hwy. 21
Tomah WI 54660

**Application Deadline**
Applications must be received no later than Monday February 8th, 2016.

Colorado State University does not discriminate on the basis of race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, or gender identity or expression. Colorado State University is an equal opportunity/equal access/affirmative action employer fully committed to achieving a diverse workforce, and complies with all federal and Colorado state laws, regulations, and executive orders regarding non-discrimination and affirmative action. The Office of Equal Opportunity is located in 101 Student Services.

Reflecting departmental and institutional values, candidates are expected to have the ability to advance the Department’s commitment to diversity and inclusion.
