

## PERA EXCLUSION FORM

Membership in the Public Employees' Retirement Association (PERA) is normally required under Colorado Law for classified and non-student hourly employees at Colorado State University. There are, however, certain limited circumstances described below under which individuals employed under the above types of appointments are excluded from membership in PERA.

Please review the following circumstances. If any apply to you, then you must complete and sign this form instead of the normally required membership form (PERA Member Record).

1. You are employed or are being employed under a non-student hourly type of appointment, and your employment is emergency in nature (fire, storm, snow, earthquake, flood, or other similar emergency).
2. You are employed or are being employed under a state classified hourly, or non-student hourly type of appointment, and both of the following apply:
  - You have previously retired from Colorado State University, or another PERA "State division" employer.
  - Your retirement annuity benefits from PERA are not currently voluntarily suspended by you.
3. You are a non-resident alien admitted to work in the United States on either:
