
Graphics and Publications

Graphic Services

Graphic design and production are available as part of any product or service provided by CEMML. Computer graphic artists and biological illustrators, in conjunction with University Publications and Printing and Instructional Services, produce:

- Posters (Environmental, Professional Presentations, etc.)
- Soldier Field Cards
- Environmental Videos
- Botanical Illustration
- Slide Presentations
- Maps
- Brochures

Technical Writing

The Center develops:

- Proceedings of National Meetings
- Books
- Technical Manuals
- Leader Environmental Handbooks
- Pamphlets for Environmental Awareness Programs
- World Wide Web Home Pages
- Technical Handbooks
- Newsletters
